

Character Journal Entry

Each week this is due, create a journal entry for a play character of your choice. The entry should be relevant to the events in the play, but they may include information not presented in the play, such as the character's feelings, expectations, reactions, hopes, concerns, etc.

Each entry should be at least 250 words for 8th and 9th grade, 500 words for 11th grade. You will be graded on the relevance of the entry to the play and on grammar and punctuation. You can find the rubric at http://english.cailab.net/rubrics/character_journal.pdf.
